Read Across America

568 registered classes in the database

94 no matches

27 are IP only

12 states are represented

106 Monday

118 Tuesday

118 Wednesday

124 Thursday

100 Friday

Discussion about changes for next year:

- Suggested three days instead of 5
- IP or ISDN
- Coordinate through the ISD tech coordinators set the times and days then send in the information.
- Lots of learning through this coordination experience.

Committee Reports:

PD / Eric and Bruce / no new information

Shared Classes / Sue and Terry/ no new information

Special Projects / Deb and Diane/ Michigan Collaborative dates were discussed

Field trips / Jerry and Janine/ Updating programs with the content providers

- Janine recommended the fieldtrip to Lake County Solid waste management system. The presenter is very enthusiastic.

Tech Support / Mike

Ready for MACUL session

Mike showed the media carts that he has been preparing for St. Clair.

Communications / Terry / Terry will make certain there are TWICE flyers at MACUL, and will bring the TWICE shirts. Jerry will bring both banners.

Nominating committee / Arnie

Terry will send list of members. There are 31 ISDs registered as members.

Arnie will work on nominations

Dues and Treasury / Terry

No outstanding bills.

MACUL in March – National Satellite is free to us at MACUL

Round Table discussion:

There have been reoccurring problems with the T-Com connection. St. Clair, Berrien, and Wexford Missaukee have had the same problems. Discussion continued.

March meeting at MACUL Friday March 14th at 11:30 / Wanita Kampmueller will not be able to attend.

April Debbie Glasgow will not be able to attend.
